

REMARKS

The present application was filed on April 16, 2004 with claims 1-22. New claim 23 was allowed in the Notice of Allowance dated March 31, 2008.

Applicants respectfully amend the specification prior to issuance to comply with the Examiner's Amendment on page 2 of the Notice of Allowability. No new matter has been added and entry of the amendments is respectfully requested.

Applicants further resubmit formal replacement drawings as requested by the Examiner via a telephone conversation on April 22, 2008, between Examiner Patel and Patent Agent James M Lee (Reg. No. 61,588). Applicants note that formal replacement drawings were submitted by Applicants on June 7, 2004, but the Examiner is requesting a resubmission due to database issues at the USPTO. No new matter has been added and acceptance of the replacement drawings is respectfully requested.

It is believed that there is no fee due in conjunction with this amendment. In the event of non-payment or improper payment of the required fee, the Commissioner is authorized to charge or credit **International Business Machines Corporation Deposit Account No. 50-0510** as required to correct the error.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "William E. Lewis", with a stylized flourish at the end.
